GIRLS' CHRISTIAN CAMP

REDEEMING LOVE

"Blessed be the Lord,
who has not left you
this day without a redeemer..."

Ruth 4:14a

WELCOME

A long time ago, in a land far away...

The best love stories have strong heroines, gallant heroes, interesting side characters, and plots that twist and turn. The book of Ruth in the Bible has all this and more. Lose yourself in this ancient romance. And find yourself in the greater story the God of steadfast love is still writing today.

WORKSHOPS

RELATIONSHIPS

All of us want to be in loving relationships, whether with our friends, family, or the person we are dating. But relationships are sometimes difficult, hurtful and sad. Join this workshop to discover what God says about our relationships with him and those we love.

GROWING IN THE FAITH

Becoming a Christian is the start of a lifetime of faith. But how do we go about growing in knowing and loving Jesus? This workshop will set the foundations for a lifetime of growing deeper and stronger in your faith.

THE BIG BIBLE STORY

Does the Bible sometimes feel like just a random collection of stories? Do David and Goliath have anything to do with Adam and Eve? And what's with all the laws? This new workshop will show you how the Bible fits together to tell one big, beautiful story.

WORKSHOPS

HOW TO TALK WITH YOUR PARENTS

Would you want to feel understood and connected in conversations with your parents? In this new workshop you will learn and practice communication skills to help you speak and respond more effectively.

UNDERSTANDING EMOTIONS

We have big feelings, and we don't always know where they come from or what to do with them. This workshop helps you move beyond good/bad, happy/sad; giving you language and tools to embrace and express your emotions in ways that honour God.

APOLOGETICS

Apologetics is about defending the Christian faith through systematic and reasonable answers. Exploring questions such as 'Did Jesus really rise from the dead?' is important for our own faith & prepares us to answer with conviction when we share with our friends how we know the Gospel story is true.
